

Ever wondered where your BAA and SCAS subscription goes?

Every single member of the affiliated clubs within Berkshire pays an annual subscription to the Berkshire Archery Association (BAA) and the Regional Association (SCAS).

- Your BAA subscription goes towards the hire of a venue for the quarterly committee meetings and the AGM.
- Purchasing and supply of medals to the organiser for the Outdoor Championships in July and the Indoor Championship in November.
- Limited financial support on request from an archer who has been selected to represent England/GB at an International event but does not receive any funding from AGB.
- Limited financial support on request for an archer who has been invited to attend AGB performance academies
- The County subsidises part of the cost of clothing for those that compete in team competitions when representing Berkshire.
- Pay the entry fees for the teams that BAA enter in the Senior and Junior SCAS Inter-counties and the National Inter-counties run by Archery GB.
- BAA buys year flashes and County Colours for those archers that have represented the County at tournaments during the year.
- These awards are presented at the AGM in January each year. Purchase of any trophies that may be required.
- The County Indoor Championship is organised and run by Crowthorne Archers.

Your Southern Counties (SCAS) fees.

- Contribute towards training and seminars for coaches and judges within the Region.
- Organising and running of the Senior and Junior Inter-Counties and the SCAM events.
- Financial support on request from an archer who has been selected to represent GB at an International event but does not receive funding from AGB.
- A very small portion of your fees go to the English Archery Federation (EAF). The EAF is owned and managed by the five English Regions (Northern Counties, West Midlands, East Midlands, Grand Western and SCAS) and is responsible for training and selecting archers for the Commonwealth Games.
- The EAF select teams to represent England at various Senior and Junior target/field events within the UK and Commonwealth.
- The EAF also organises training sessions (self funded) for archers that do not receive funding from UK-Sport, Sport England or the Performance Unit of AGB.

The above is not an exhaustive list but gives you a flavour of the expenditure of your BAA and SCAS fees.

If you would like to see a copy of the latest audited accounts, please contact your club secretary.
