

Chronotir2C Timing System (Non Berkshire Clubs)

Hire Agreement

By hiring BAA Chronotir2C System you agree to the following terms and conditions:

The equipment must be covered either by your insurance or by a guarantee of replacement if damaged, lost or stolen whilst in your care. All equipment will be checked before being passed over for your use and again on its return.

It will be used in accordance with the manufacturer's instructions. It will be charged correctly upon receipt and before return.

It will be protected from adverse weather conditions.

The set is hired as a set (see schedule below), you must arrange collection and return of the units, please contact Chronotir2hire@berkshirearchery.co.uk for details.

A returnable deposit of £500 must be paid prior to collection, the hire fee is £100 per pair per weekend event. If the system is not returned within 4 days after the event (or as extended by written agreement) BAA may charge a fee of £25 per additional day.

Schedule of the equipment to be hired : -

- Two display and sound units.
- Two collapsible tripods.
- Two charging units (plus European socket converters, cables etc.)
- Two control units
- Instruction manuals for charging and for use.

I agree to the terms stated above.

Additional information:

The operator control units use 4 x AA batteries. It is the hirer's responsibility to supply the batteries.

To ensure that the units will work throughout each day, a new set of batteries **must** be installed at the start of each day

At the end of the day the batteries **must** be removed and maybe reused for other purposes or recycled.

Before returning the equipment, the batteries **must** be removed as they are not required to be returned at the end of the hire period.
